ABOUT YWCA REGINA

YWCA Regina Inc., established in 1910, aspires to a world where communities benefit from the full and equitable inclusion of women and families, and where the experiences and perspectives of women and families are reflected in all facets of society. We are a community voice of and for women — and a trusted partner in addressing the most complex issues faced by women and our community. YWCA Regina provides childcare, shelter and housing, community programs, family support programs, and outreach.

For over a century, YWCA Regina has been a cornerstone of life in Regina — evolving to meet the needs of women and families across generations. Our work spans emergency shelter, affordable housing, licensed childcare, family violence prevention, and wraparound community supports. We are a value -driven organization where staff are not simply delivering services — they are partners in meaningful, community-led change.

Working at YWCA Regina means joining a team that leads with love, operates with grit, and believes deeply that every person deserves dignity, safety, and belonging. Our staff bring a wide range of backgrounds, identities, and experiences — and that diversity makes our work stronger.

YWCA Regina is committed to anti-colonial, anti-racist practice and to a workplace that prioritizes cultural safety. We are committed to creating safe, inclusive, and accessible services and spaces for gender and sexually diverse persons. We acknowledge that our social systems, communities, and organizational processes can perpetuate the marginalization of Indigenous peoples, Black people, and gender and sexually diverse people. We are committed to systemic change and to actions that further justice, truth, and reconciliation for marginalized peoples.
